Ohio Dept. of Veterans Services Veterans' Records Requests Delayed July 8-9

COLUMBUS – The Ohio Department of Veterans Services' Records Management Office is replacing its microfiche reader and printer equipment on July 8-9. This will cause the response to your request for records to be delayed. Records affected will include WWII, Korea and Vietnam. County Veterans Service Officers are still encouraged to fax requests. However, requests for records for veterans who were discharged prior to October of 1994 will not be able to be completed until July 10th.

Please contact Records Management at (614) 466-5453 if you have any questions.
