

## **Registered Apprenticeship Programs**

### **Section 203, Public Law 111-377**

Section 203 of Public Law 111-377 deemed certain programs of education to be approved for the purposes of the Department of Veterans Affairs (VA) education benefit programs (Title 38, United States Code). It gives VA the authority to approved or disapprove certain programs of education.

The following programs are deemed to be approved effective August 1, 2011, subject to sections 675(b)(1) and 3675 (b)(2), 3680A, 3684, and 3696 of Title 38, United States Code. Code sections can be downloaded from the Internet or requested from your Veterans Education Advisor.

Programs deemed to be approved are:

- An apprenticeship program registered with the Office of Apprenticeship (OA) of the Employment Training Administration of the Department of Labor or a State apprenticeship agency recognized by the Office of Apprenticeship (OA).

Effective immediately, Registered Apprenticeship Training Establishment Officials will notify VA's Education Liaison Representatives (ELRs) regarding changes to their apprenticeship programs utilizing the forms attached.

Training Establishments must continue to forward and maintain all appropriate records.

Do not give this information to veterans.**

Attached you will find the “Notification Form for Modifications to Programs” (Page 1), “Part I – Facility Information” (Page 2), “Apprenticeship Programs” (Page 3), and the agreement to conditions (Page 4). These forms must be completed and submitted to your ELR each time you report a new or modified program to the VA.

Note: The agreement to conditions form (Page 4) is to be signed by the Administrative Official at your training establishment. The form should be signed by the Administrative Official who has the authority to enter into a contract with VA. Administrative Officials should consider the legal implications of signing this form before submitting it to VA. The Training Establishment Certifying Official should **NOT** sign this form.

All registered apprenticeship establishments noted above that have programs deemed approved should immediately report to their Educational Liaison Representative (ELR) and State Approving Agency (SAA) any changes using the forms attached to this newsletter.

These changes take effect immediately. We will make every attempt to notify you of additional guidance, clarification, or procedures as soon as we receive them.

Please contact your ELR with further questions.

## United States Department of Veterans Affairs (VA) Notification Form for Modifications to Programs

Veterans and other eligible individuals may enroll in any education program they choose, if they meet the school's requirements for admission. However, Veterans and other eligible individuals who want to receive their GI Bill benefits must enroll in a program of education that has been deemed approved by law or that has been approved by the State Approving Agency (SAA) or the United States Department of Veterans Affairs (VA).

Courses deemed approved by Public Law 111-377, Section 203, subject to sections 3675 (b)(1) and (b)(2), 3680A, 3684, and 3696, of Title 38 U.S.C. effective August 1, 2011 are:

- Standard college degree programs and non-college degree programs offered at a public or not-for-profit proprietary educational institution accredited by an agency or association recognized for that purpose by the Secretary of Education. (Note: Courses taken that do not count towards a degree or certificate and programs offered under contract are not deemed approved)
- Flight training that is approved by the Federal Aviation Administration and offered by a certified pilot school that possesses a valid Federal Aviation Administration pilot school certificate.
- Apprenticeship program(s) registered with Office of Apprenticeship of the Employment Training Administration of the Department of Labor or a State apprenticeship agency recognized by the Office of Apprenticeship.
- Programs that lead to a secondary school diploma offered by a secondary school approved in the state in which it is operating
- A licensure test offered by a Federal, State, or local government

If a program is not deemed approved by law, the school must submit an application to the SAA requesting approval of the program(s). An education program must be approved before benefits can be paid to the Veteran or other eligible individuals by the VA. Any new institution or facility and existing facilities that have programs that are not deemed approved by law should contact their SAA: <http://www.nasaa-vetseducation.com/contacts/default.aspx>

This notification form is to be used for modifications to programs for existing institutions and facilities that have programs deemed approved by law and will assist the VA in ensuring compliance with Title 38, United States Code and appropriate regulations. This form and any questions pertaining to it would be submitted to the VA Education Liaison Representative of jurisdiction: <http://www.gibill.va.gov/school-certifying-officials/elr.html>

**NOTE:** Modifications to standard college degree programs at accredited public and not-for-profit institutions do not have to be reported (both new and removed standard college degree programs). VA must continue to be notified of new/modifications of non-college degree, flight, licensure, and high school programs in order to properly pay benefits and will approve or deny programs offered under contract.
