2018 Admission Application

The Ohio Veterans Homes are a state agency comprised of two facilities in Ohio, a home located in Sandusky (approximately 60 miles west of Cleveland) and a home located in Georgetown (approximately 45 miles east of Cincinnati). Both homes offer a quality of life which emphasizes privacy, encourages independence, provides comfort and security and meets social needs. All residents have the freedom and convenience of a small community as well as the comforts of a home-like setting.

Both homes are licensed nursing homes providing Standard Care, Memory Care (Dementia/Alzheimer) and Skilled Care. In addition, the Sandusky home also offers independent living (Domiciliary) and limited supervised care (Domiciliary Plus) for those not requiring the level of care provided to nursing home residents.

Applications may be made directly to the Sandusky or the Georgetown home. In addition, the applicant may apply for the first available bed of either home. Once admitted, residents may apply and seek approval for transfer from one facility to another. If such transfer is approved, the resident will be responsible for all costs related to the transfer.

ELIGIBILITY

To be eligible for admission into the Ohio Veterans Homes, the applicant must meet the following criteria:

1. The applicant must have been a resident of Ohio for at least one year.
2. The applicant's most recent discharge must show that he/she is an honorably discharged or separated under honorable conditions veteran of the United States Armed Forces.
3. The applicant must have served on active duty (other than for training) during a period of war or declared armed conflict **OR** have been a recipient of the Armed Forces Expeditionary Medal or the Vietnam Service Medal.
4. The applicant must have a disability due to disease, wounds or otherwise and, by reason of such disability, incapable of earning a living.

Please note: applicants meeting the above criteria for admission shall not be admitted if:

1. In the opinion of the home's Medical Director, the home to which the veteran is seeking admission does not provide care adequate to meet the physical, mental or psychosocial needs of the applicant; or
2. The applicant, by virtue of one or more criminal convictions for violent crimes and/or sex crimes, has demonstrated that he/she represents a substantial risk of harm to the health, safety or well-being of residents, their families, visitors, volunteers or agency staff.

COSTS: Once admitted the resident will be responsible to pay maximum assessment rates until all income and asset information is obtained by the Ohio Veterans Homes.

Refer to SCHEDULE OF SERVICES for maximum rates. The assessment is based on a formula prescribed by the Ohio Revised Code and Ohio Administrative Code. The monthly assessment covers all meals, primary medical care, VA formulary medications and most medical supplies. Residents may incur additional expenses not covered in their monthly assessment. These include, but are not limited to, charges for personal choice medication not covered in the VA formulary; optometric, dental and podiatric services and supplies; lab and radiology services; barber/beautician services and telephone. Residents also may incur some co-payment charges and be financially responsible for skilled care services, depending on their length of stay in skilled care, secondary insurance, Medicare eligibility, etc.
