OHIO REVISED CODE**Chapter 4117: PUBLIC EMPLOYEES' COLLECTIVE
BARGAINING****4117.10 Terms of agreement.**

(A) An agreement between a public employer and an exclusive representative entered into pursuant to this chapter governs the wages, hours, and terms and conditions of public employment covered by the agreement. If the agreement provides for a final and binding arbitration of grievances, public employers, employees, and employee organizations are subject solely to that grievance procedure and the state personnel board of review or civil service commissions have no jurisdiction to receive and determine any appeals relating to matters that were the subject of a final and binding grievance procedure. Where no agreement exists or where an agreement makes no specification about a matter, the public employer and public employees are subject to all applicable state or local laws or ordinances pertaining to the wages, hours, and terms and conditions of employment for public employees. All of the following prevail over conflicting provisions of agreements between employee organizations and public employers:

(1) Laws pertaining to any of the following subjects:

(a) Civil rights ;

(b) Affirmative action ;

(c) Unemployment compensation ;

(d) Workers' compensation ;

(e) The retirement of public employees ;

(f) Residency requirements ;

(g) The minimum educational requirements contained in the Revised Code pertaining to public education including the requirement of a certificate by the fiscal officer of a school district pursuant to section [5705.41](#) of the Revised Code ;

(h) The provisions of division (A) of section [124.34](#) of the Revised Code governing the disciplining of officers and employees who have been convicted of a felony ;

(i) The minimum standards promulgated by the state board of education pursuant to division (D) of section [3301.07](#) of the Revised Code .

(2) The law pertaining to the leave of absence and compensation provided under section [5923.05](#) of the Revised Code , if the terms of the agreement contain benefits which are less than those contained in that section or the agreement contains no such terms and the public authority is the state or any agency, authority, commission, or board of the state or if the public authority is another entity listed in division (B) of section [4117.01](#) of the Revised Code that elects to provide leave of absence and compensation as provided in section [5923.05](#) of the Revised Code ;

(3) The law pertaining to the leave established under section [5906.02](#) of the Revised Code , if the terms of the agreement contain benefits that are less than those contained in section [5906.02](#) of the Revised Code;

(4) The law pertaining to excess benefits prohibited under section 3345.311 of the Revised Code with respect to an agreement between an employee organization and a public employer entered into on or after the effective date of this amendment.

Except for sections [306.08](#), [306.12](#), [306.35](#), and [4981.22](#) of the Revised Code and arrangements entered into thereunder, and section [4981.21](#) of the Revised Code as necessary to comply with section 13(c) of the "Urban Mass Transportation Act of 1964," 87 Stat. 295, 49 U.S.C.A. 1609(c), as amended, and arrangements entered into thereunder, this chapter prevails over any and all other conflicting laws, resolutions, provisions, present or future, except as otherwise specified in this chapter or as otherwise specified by the general assembly. Nothing in this section prohibits or shall be construed to invalidate the provisions of an agreement establishing supplemental workers' compensation or unemployment compensation benefits or exceeding minimum requirements contained in the Revised Code pertaining to public education or the minimum standards promulgated by the state board of education pursuant to division (D) of section [3301.07](#) of the Revised Code.

(B) The public employer shall submit a request for funds necessary to implement an agreement and for approval of any other matter requiring the approval of the appropriate legislative body to the legislative body within fourteen days of the date on which the parties finalize the agreement, unless otherwise specified, but if the appropriate legislative body is not in session at the time, then within fourteen days after it convenes. The legislative body must approve or reject the submission as a whole, and the submission is deemed approved if the legislative body fails to act within thirty days after the public employer submits the agreement. The parties may specify that those provisions of the agreement not requiring action by a legislative body are effective and operative in accordance with the terms of the agreement, provided there has been compliance with division (C) of this section. If the legislative body rejects the submission of the public employer, either party may reopen all or part of the entire agreement.

As used in this section, "legislative body" includes the governing board of a municipal corporation, school district, college or university, village, township, or board of county commissioners or any other body that has authority to approve the budget of their public jurisdiction and, with regard to the state, "legislative body" means the controlling board.

(C) The chief executive officer, or the chief executive officer's representative, of each municipal corporation, the designated representative of the board of education of each school district, college or university, or any other body that has authority to approve the budget of their public jurisdiction, the designated representative of the board of county commissioners and of each elected officeholder of the county whose employees are covered by the collective negotiations, and the designated representative of the village or the board of township trustees of each township is responsible for negotiations in the collective bargaining process; except that the legislative body may accept or reject a proposed collective bargaining agreement. When the matters about which there is agreement are reduced to writing and approved by the employee organization and the legislative body, the agreement is binding upon the legislative body, the employer, and the employee organization and employees covered by the agreement.

(D) There is hereby established an office of collective bargaining in the department of administrative services for the purpose of negotiating with and entering into written agreements between state agencies, departments, boards, and commissions and the exclusive representative on matters of wages, hours, terms and other conditions of employment and the continuation, modification, or deletion of an existing provision of a collective bargaining agreement. Nothing in any provision of law to the contrary shall be interpreted as excluding the bureau of workers' compensation and the industrial commission from the preceding sentence. This office shall not negotiate on behalf of other statewide elected officials or boards of trustees of state institutions of higher education who shall be considered as separate public employers for the purposes of this chapter; however, the office may negotiate on behalf of these officials or trustees where authorized by the officials or trustees. The staff of the office of collective bargaining are in the unclassified service. The director of administrative services shall fix the compensation of the staff.

The office of collective bargaining shall:

- (1) Assist the director in formulating management's philosophy for public collective bargaining as well as planning bargaining strategies;
- (2) Conduct negotiations with the exclusive representatives of each employee organization;
- (3) Coordinate the state's resources in all mediation, fact-finding, and arbitration cases as well as in all labor disputes;
- (4) Conduct systematic reviews of collective bargaining agreements for the purpose of contract negotiations;
- (5) Coordinate the systematic compilation of data by all agencies that is required for negotiating purposes;
- (6) Prepare and submit an annual report and other reports as requested to the governor and the general assembly on the implementation of this chapter and its impact upon state government.

Amended by 128th General Assembly File No. 29, HB 48, §1, eff. 7/2/2010.

BUDGETS – TITLE 57 – TAXATION

5705.05 Purpose and intent of general levy for current expenses.

The purpose and intent of the general levy for current expenses is to provide one general operating fund derived from taxation from which any expenditures for current expenses of any kind may be made. The taxing authority of a political subdivision may include in such levy the amounts required for carrying into effect any of the general or special powers granted by law to such subdivision, including the acquisition or construction of permanent improvements and the payment of judgments, but excluding the payment of debt charges and, in the case of counties, the construction, reconstruction, resurfacing, or repair of roads and bridges . The power to include in the general levy for current expenses additional amounts for purposes for which a special tax is authorized shall not affect the right or obligation to levy such special tax. Without prejudice to the generality of the authority to levy a general tax for any current expense, such general levy shall include:

- (A) The amounts certified to be necessary for the payment of final judgments;
- (B) The amounts necessary for general, special, and primary elections;
- (C) The amounts necessary for boards and commissioners of health, and other special or district appropriating authorities deriving their revenue in whole or part from the subdivision;
- (D) In the case of municipal corporations, the amounts necessary for the maintenance, operation, and repair of public buildings, wharves, bridges, parks, and streets, for the prevention, control, and abatement of air pollution, and for a sanitary fund;
- (E) In the case of counties, the amounts necessary for the maintenance, operation, and repair of public buildings, for providing or maintaining senior citizens services or facilities, for the relief and support of the poor, for the relief of needy blind, for the support of mental health, mental retardation, or developmental disability services, for the relief of honorably discharged soldiers, indigent soldiers, sailors, and marines, for the operation and maintenance and the acquisition, construction, or improvement of permanent improvements, including, without limitation, the acquisition and improvement of land and buildings owned or used by a county land reutilization corporation organized under Chapter 1724. of the Revised Code, for mothers' pension fund, support of soil and water conservation districts, watershed conservancy districts, and educational television, for the prevention, control, and abatement of air pollution, and for the county's share of the compensation paid judges;
- (F) In the case of a school district, the amounts necessary for tuition, the state teachers retirement system, and the maintenance, operation, and repair of schools;
- (G) In the case of a township, the amounts necessary for the relief of the poor and for the prevention, control, and abatement of air pollution.

This section does not require the inclusion within the general levy of amounts for any purpose for which a special levy is authorized by section [5705.06](#) of the Revised Code.

5705.38 Annual appropriation measures - classification.

(A) This division does not apply to school district appropriation measures. On or about the first day of each fiscal year, the taxing authority of each subdivision or other taxing unit shall pass an appropriation measure, and thereafter during the year it may pass any supplemental appropriation measures as it finds necessary, based on the revised tax budget or the official certificate of estimated resources or amendments of the certificate. If it desires to postpone the passage of the annual appropriation measure until an amended certificate is received based on the actual balances, it may pass a temporary appropriation measure for meeting the ordinary expenses of the taxing unit until no later than the first day of April or, in the case of the city of Cincinnati, the first day of October, of the current year, and the appropriations made in the temporary measure shall be chargeable to the appropriations in the annual appropriation measure for that fiscal year when passed.

(B) A board of education shall pass its annual appropriation measure by the first day of October. If, by the first day of October, a board has not received either the amended certificates of estimated resources required by division (B) of section [5705.36](#) of the Revised Code or certifications that no amended certificates need be issued, the adoption of the annual appropriation measure shall be delayed until the amended certificates or certifications are received. Prior to the passage of the annual appropriation measure, the board may pass a temporary appropriation measure for meeting the ordinary expenses of the district until it passes an annual appropriation measure, and appropriations made in the temporary measure shall be chargeable to the appropriations in the annual appropriation measure for that fiscal year when passed. During the fiscal year and after the passage of the annual appropriation measure, a district may pass any supplemental appropriation measures as it finds necessary, based on the revised tax budget or the official certificate of estimated resources or amendments of the certificate. School district appropriation measures shall be in the form as the auditor of state, after consultation with the tax commissioner, prescribes.

(C) Appropriation measures shall be classified so as to set forth separately the amounts appropriated for each office, department, and division, and, within each, the amount appropriated for personal services. In the case of a municipal university, the board of directors of which have assumed, in the manner provided by law, custody and control of the funds of the university, funds shall be appropriated as a lump sum for the use of the university.

Amended by 129th General Assembly File No. 127, HB 487, §101.01, eff. 9/10/2012.

Effective Date: 06-03-2002

5705.39 Appropriations limited by estimated revenue.

The total appropriations from each fund shall not exceed the total of the estimated revenue available for expenditure therefrom, as certified by the budget commission, or in case of appeal, by the board of tax appeals. No appropriation measure shall become effective until the county auditor files with the appropriating authority a certificate that the total appropriations from each fund, taken together with all other outstanding appropriations, do not exceed such official estimate or amended official estimate. When the appropriation does not exceed such official estimate, the county auditor shall give such certificate forthwith upon receiving from the appropriating authority a certified copy of the appropriation measure. Appropriations shall be made from each fund only for the purposes for which such fund is established.

Effective Date: 09-26-2003

5705.392 County spending plan.

(A) A board of county commissioners may adopt as a part of its annual appropriation measure a spending plan, or in the case of an amended appropriation measure, an amended spending plan, setting forth a quarterly schedule of expenses and expenditures of all appropriations for the fiscal year from the county general fund. The spending plan shall be classified to set forth separately a quarterly schedule of expenses and expenditures for each office, department, and division, and within each, the amount appropriated for personal services. Each office, department, and division shall be limited in its expenses and expenditures of moneys appropriated from the general fund during any quarter by the schedule established in the spending plan. The schedule established in the spending plan shall serve as a limitation during a quarter on the making of contracts and giving of orders involving the expenditure of money during that quarter for purposes of division (D) of section [5705.41](#) of the Revised Code.

(B) (1) A board of county commissioners, by resolution, may adopt a spending plan or an amended spending plan setting forth separately a quarterly schedule of expenses and expenditures of appropriations from any county fund, except as provided in division (C) of this section, for the second half of a fiscal year and any subsequent fiscal year, for any county office, department, or division that has spent or encumbered more than six-tenths of the amount appropriated for personal services and payrolls during the first half of any fiscal year.

(2) During any fiscal year, a board of county commissioners, by resolution, may adopt a spending plan or an amended spending plan setting forth separately a quarterly schedule of expenses and expenditures of appropriations from any county fund, except as provided in division (C) of this section, for any county office, department, or division that, during the previous fiscal year, spent one hundred ten per cent or more of the total amount appropriated for personal services and payrolls by the board in its annual appropriation measure required by section [5705.38](#) of the Revised Code. The spending plan or amended spending plan shall remain in effect for not more than two fiscal years. But if the administrative officer of the office, department, or division for which the plan was adopted is an elected official, the spending plan shall not be in effect during a fiscal year in which that elected official is no longer the administrative officer of that office, department, or division.

(3) At least thirty days before adopting a resolution under division (B)(1) or (2) of this section, the board of county commissioners shall provide written notice to each county office, department, or division for which it intends to adopt a spending plan or an amended spending plan. The notice shall be sent by regular first class mail or provided by personal service, and shall include a copy of the proposed spending plan or proposed amended spending plan. The county office, department, or division may meet with the board at any regular session of the board to comment on the notice, or to express concerns or ask questions about the proposed spending plan or proposed amended spending plan.

(C) Division (B) of this section shall not apply to any fund that is subject to rules adopted by the tax commissioner under division (O) of section [5703.05](#) of the Revised Code.

5705.40 Amending or supplementing appropriation ordinance - transfer - unencumbered balance - appropriation for contingencies.

Any appropriation ordinance or measure may be amended or supplemented, provided that such amendment or supplement shall comply with all provisions of law governing the taxing authority in making an original appropriation and that no appropriation for any purpose shall be reduced below an amount sufficient to cover all unliquidated and outstanding contracts or obligations certified from or against the appropriation. Transfers may be made by resolution or ordinance from one appropriation item to another, except that a board of county commissioners shall, at the request of the county board of elections, adopt a resolution to transfer funds from one appropriation item of the board of elections to another appropriation item of the board of elections unless the board of county commissioners determines that the transfer is sought for the purpose of providing employee bonuses or salary increases other than increases necessary to reimburse employees for overtime worked. At the close of each fiscal year, the unencumbered balance of each appropriation shall revert to the respective fund from which it was appropriated and shall be subject to future appropriations, provided that funds unexpended at the end of such fiscal year previously appropriated for the payment of obligations unliquidated and outstanding, or previously appropriated pursuant to section [321.261](#) of the Revised Code for the collection of delinquent taxes, need not be reappropriated, but such unexpended funds shall not be included by any budget-making body or board or any county budget commission in estimating the balance available for the purposes of the next or any succeeding fiscal year.

The annual appropriation measure, or an amendment or supplement thereto, may contain an appropriation for contingencies not to exceed the amount authorized by section [5705.29](#) of the Revised Code and in the case of a school district may also include a voluntary contingency reserve balance in the amount authorized by such section. By a two-thirds vote of all members of the taxing authority of a subdivision or taxing unit, expenditures may be authorized in pursuance of such contingency appropriation or voluntary contingency reserve balance for any lawful purpose for which public funds may be expended, if such purpose could not have reasonably been foreseen at the time of the adoption of the appropriation measure or, in the case of a voluntary contingency reserve balance, if the board of education requests payment of any portion of such balance.

Effective Date: 03-27-1991; 09-29-2005

5705.41 Restriction upon appropriation and expenditure of money - certificate of fiscal officer.

No subdivision or taxing unit shall:

(A) Make any appropriation of money except as provided in Chapter 5705. of the Revised Code; provided, that the authorization of a bond issue shall be deemed to be an appropriation of the proceeds of the bond issue for the purpose for which such bonds were issued, but no expenditure shall be made from any bond fund until first authorized by the taxing authority;

(B) Make any expenditure of money unless it has been appropriated as provided in such chapter;

(C) Make any expenditure of money except by a proper warrant drawn against an appropriate fund;

(D) (1) Except as otherwise provided in division (D)(2) of this section and section [5705.44](#) of the Revised Code, make any contract or give any order involving the expenditure of money unless

there is attached thereto a certificate of the fiscal officer of the subdivision that the amount required to meet the obligation or, in the case of a continuing contract to be performed in whole or in part in an ensuing fiscal year, the amount required to meet the obligation in the fiscal year in which the contract is made, has been lawfully appropriated for such purpose and is in the treasury or in process of collection to the credit of an appropriate fund free from any previous encumbrances. This certificate need be signed only by the subdivision's fiscal officer. Every such contract made without such a certificate shall be void, and no warrant shall be issued in payment of any amount due thereon. If no certificate is furnished as required, upon receipt by the taxing authority of the subdivision or taxing unit of a certificate of the fiscal officer stating that there was at the time of the making of such contract or order and at the time of the execution of such certificate a sufficient sum appropriated for the purpose of such contract and in the treasury or in process of collection to the credit of an appropriate fund free from any previous encumbrances, such taxing authority may authorize the drawing of a warrant in payment of amounts due upon such contract, but such resolution or ordinance shall be passed within thirty days after the taxing authority receives such certificate; provided that, if the amount involved is less than one hundred dollars in the case of counties or three thousand dollars in the case of all other subdivisions or taxing units, the fiscal officer may authorize it to be paid without such affirmation of the taxing authority of the subdivision or taxing unit, if such expenditure is otherwise valid.

(2) The board of county commissioners may adopt a resolution exempting county purchases of one thousand dollars or less from the requirement of division (D)(1) of this section that a certificate be attached to any contract or order involving the expenditure of money. The resolution shall state the dollar amount that is exempted from the certificate requirement and whether the exemption applies to all purchases, to one or more specific classes of purchases, or to the purchase of one or more specific items. Prior to the adoption of the resolution, the board shall give written notice to the county auditor that it intends to adopt the resolution. The notice shall state the dollar amount that is proposed to be exempted and whether the exemption would apply to all purchases, to one or more specific classes of purchases, or to the purchase of one or more specific items. The county auditor may review and comment on the proposal, and shall send any comments to the board within fifteen days after receiving the notice. The board shall wait at least fifteen days after giving the notice to the auditor before adopting the resolution. A person authorized to make a county purchase in a county that has adopted such a resolution shall prepare and file with the county auditor, within three business days after incurring an obligation not requiring a certificate, or within any other period of time the board of county commissioners specifies in the resolution, a written or electronically transferred document specifying the purpose and amount of the expenditure, the date of the purchase, the name of the vendor, the specific appropriation items from which the expenditures are to be made, and any additional information as the auditor of state may prescribe.

(3) Upon certification by the auditor or other chief fiscal officer that a certain sum of money, not in excess of an amount established by resolution or ordinance adopted by a majority of the members of the legislative authority of the subdivision or taxing unit, has been lawfully appropriated, authorized, or directed for a certain purpose and is in the treasury or in the process of collection to the credit of a specific line-item appropriation account in a certain fund free from previous and then outstanding obligations or certifications, then for such purpose and from such line-item appropriation account in such fund, over a period not extending beyond the end of the fiscal year, expenditures may be made, orders for payment issued, and contracts or obligations calling for or requiring the payment of money made and assumed; provided, that the aggregate sum of money included in and called for by such expenditures, orders, contracts, and obligations shall not exceed the sum so certified. Such a certification need be signed only by the fiscal officer of the subdivision or the taxing district and may, but need not, be limited to a specific vendor. An itemized statement of obligations incurred and expenditures made under such certificate shall be rendered to the auditor or other chief fiscal officer before another such certificate may be issued, and not more than one such certificate shall be outstanding at a time.

In addition to providing the certification for expenditures as specified in this division, a subdivision also may make expenditures, issue orders for payment, and make contracts or obligations calling for or requiring the payment of money made and assumed for specified permitted purposes from a specific line-item appropriation account in a specified fund for a sum of money upon the certification by the fiscal officer of the subdivision that this sum of money has been lawfully appropriated, authorized, or directed for a permitted purpose and is in the treasury or in the process of collection to the credit of the specific line-item appropriation account in the specified fund free from previous and then-outstanding obligations or certifications; provided that the aggregate sum of money included in and called for by the expenditures, orders, and obligations shall not exceed the certified sum. The purposes for which a subdivision may lawfully appropriate, authorize, or issue such a certificate are the services of an accountant, architect, attorney at law, physician, professional engineer, construction project manager, consultant, surveyor, or appraiser by or on behalf of the subdivision or contracting authority; fuel oil, gasoline, food items, roadway materials, and utilities; and any purchases exempt from competitive bidding under section [125.04](#) of the Revised Code and any other specific expenditure that is a recurring and reasonably predictable operating expense. Such a certification shall not extend beyond the end of the fiscal year or, in the case of a board of county commissioners that has established a quarterly spending plan under section [5705.392](#) of the Revised Code, beyond the quarter to which the plan applies. Such a certificate shall be signed by the fiscal officer and may, but need not, be limited to a specific vendor. An itemized statement of obligations incurred and expenditures made under such a certificate shall be rendered to the fiscal officer for each certificate issued. More than one such certificate may be outstanding at any time.

In any case in which a contract is entered into upon a per unit basis, the head of the department, board, or commission for the benefit of which the contract is made shall make an estimate of the total amount to become due upon such contract, which estimate shall be certified in writing to the fiscal officer of the subdivision. Such a contract may be entered into if the appropriation covers such estimate, or so much thereof as may be due during the current year. In such a case the certificate of the fiscal officer based upon the estimate shall be a sufficient compliance with the law requiring a certificate.

Any certificate of the fiscal officer attached to a contract shall be binding upon the political subdivision as to the facts set forth therein. Upon request of any person receiving an order or entering into a contract with any political subdivision, the certificate of the fiscal officer shall be attached to such order or contract. "Contract" as used in this section excludes current payrolls of regular employees and officers.

(E) Taxes and other revenue in process of collection, or the proceeds to be derived from authorized bonds, notes, or certificates of indebtedness sold and in process of delivery, shall for the purpose of this section be deemed in the treasury or in process of collection and in the appropriate fund. This section applies neither to the investment of sinking funds by the trustees of such funds, nor to investments made under sections [731.56](#) to [731.59](#) of the Revised Code.

No district authority shall, in transacting its own affairs, do any of the things prohibited to a subdivision by this section, but the appropriation referred to shall become the appropriation by the district authority, and the fiscal officer referred to shall mean the fiscal officer of the district authority. - Amended by 129th General Assembly File No. 141, HB 509, §1, eff. 9/28/2012.

(C) No public official or employee shall participate within the scope of duties as a public official or employee, except through ministerial functions as defined in division (A) of this section, in any license or rate-making proceeding that directly affects the license or rates of any person, partnership, trust, business trust, corporation, or association in which the public official or employee or immediate family owns or controls more than five per cent. As used in this division, "contributions," "campaign committee," "political party," "legislative campaign fund," "political action committee," and "political contributing entity" have the same meanings as in section 3517.01 of the Revised Code.

(H) (1) No public official or employee, except for the president or other chief administrative officer of or a member of a board of trustees of a state institution of higher education as defined in section 3345.011 of the Revised Code, who is required to file a financial disclosure statement under section 102.02 of the Revised Code shall solicit or accept, and no person shall give to that public official or employee, an honorarium. Except as provided in division (H)(2) of this section, this division and divisions (D), (E), and (F) of this section do not prohibit a public official or employee who is required to file a financial disclosure statement under section 102.02 of the Revised Code from accepting and do not prohibit a person from giving to that public official or employee the payment of actual travel expenses, including any expenses incurred in connection with the travel for lodging, and meals, food, and beverages provided to the public official or employee at a meeting at which the public official or employee participates in a panel, seminar, or speaking engagement or provided to the public official or employee at a meeting or convention of a national organization to which any state agency, including, but not limited to, any state legislative agency or state institution of higher education as defined in section 3345.011 of the Revised Code, pays membership dues. Except as provided in division (H)(2) of this section, this division and divisions (D), (E), and (F) of this section do not prohibit a public official or employee who is not required to file a financial disclosure statement under section 102.02 of the Revised Code from accepting and do not prohibit a person from promising or giving to that public official or employee an honorarium or the payment of travel, meal, and lodging expenses if the honorarium, expenses, or both were paid in recognition of demonstrable business, professional, or esthetic interests of the public official or employee that exist apart from public office or employment, including, but not limited to, such a demonstrable interest in public speaking and were not paid by any person or other entity, or by any representative or association of those persons or entities, that is regulated by, doing business with, or seeking to do business with the department, division, institution, board, commission, authority, bureau, or other instrumentality of the governmental entity with which the public official or employee serves.

(2) No person who is a member of the board of a state retirement system, a state retirement system investment officer, or an employee of a state retirement system whose position involves

substantial and material exercise of discretion in the investment of retirement system funds shall solicit or accept, and no person shall give to that board member, officer, or employee, payment of actual travel expenses, including expenses incurred with the travel for lodging, meals, food, and beverages.

(I) A public official or employee may accept travel, meals, and lodging or expenses or reimbursement of expenses for travel, meals, and lodging in connection with conferences, seminars, and similar events related to official duties if the travel, meals, and lodging, expenses, or reimbursement is not of such a character as to manifest a substantial and improper influence upon the public official or employee with respect to that person's duties. The house of representatives and senate, in their code of ethics, and the Ohio ethics commission, under section 111.15 of the Revised Code, may adopt rules setting standards and conditions for the furnishing and acceptance of such travel, meals, and lodging, expenses, or reimbursement.

A person who acts in compliance with this division and any applicable rules adopted under it, or any applicable, similar rules adopted by the supreme court governing judicial officers and employees, does not violate division (D), (E), or (F) of this section. This division does not preclude any person from seeking an advisory opinion from the appropriate ethics commission under section 102.08 of the Revised Code.

(J) For purposes of divisions (D), (E), and (F) of this section, the membership of a public official or employee in an organization shall not be considered, in and of itself, to be of such a character as to manifest a substantial and improper influence on the public official or employee with respect to that person's duties. This division does not apply to a public official or employee who is an employee of an organization, serves as a trustee, director, or officer of an organization, or otherwise holds a fiduciary relationship with an organization. This division does not allow a public official or employee who is a member of an organization to participate, formally or informally, in deliberations, discussions, or voting on a matter or to use the public official's or employee's official position with regard to the interests of the organization on the matter if the public official or employee has assumed a particular responsibility in the organization with respect to the matter or if the matter would affect that person's personal, pecuniary interests.

This section does not prohibit or limit permitted passive investing by the public official or employee.

As used in this division, "passive investing" means investment by the public official or employee by means of a mutual fund in which the public official or employee has no control of the investments or investment decisions. "Casino operator," "holding company," "management company," "casino facility," and "gaming-related vendor" have the same meanings as in section 3772.01 of the Revised Code.

(M) A member of the Ohio casino control commission, the executive director of the commission, or an employee of the commission shall not:

(1) Accept anything of value, including but not limited to a gift, gratuity, emolument, or employment from a casino operator, management company, or other person subject to the jurisdiction of the commission, or from an officer, attorney, agent, or employee of a casino operator, management company, or other person subject to the jurisdiction of the commission;

(2) Solicit, suggest, request, or recommend, directly or indirectly, to a casino operator, management company, or other person subject to the jurisdiction of the commission, or to an officer, attorney, agent, or employee of a casino operator, management company, or other person subject to the jurisdiction of the commission, the appointment of a person to an office, place, position, or employment;

(3) Participate in casino gaming or any other amusement or activity at a casino facility in this state or at an affiliate gaming facility of a licensed casino operator, wherever located.

102.06 Powers and duties of ethics commission.

(A) The appropriate ethics commission shall receive and may initiate complaints against persons subject to this chapter concerning conduct alleged to be in violation of this chapter or section [2921.42](#) or [2921.43](#) of the Revised Code. All complaints except those by the commission shall be by affidavit made on personal knowledge, subject to the penalties of perjury. Complaints by the commission shall be by affidavit, based upon reasonable cause to believe that a violation has occurred.

(B) The appropriate ethics commission shall investigate complaints, may investigate charges presented to it, and may request further information, including the specific amount of income from a source, from any person filing with the commission a statement required by section [102.02](#) or [102.021](#) of the Revised Code, if the information sought is directly relevant to a complaint or charges received by the commission pursuant to this section. This information is confidential, except that the commission, in its discretion, may share information gathered in the course of any investigation with, or disclose the information to, the inspector general, any appropriate prosecuting authority,

any law enforcement agency, or any other appropriate ethics commission. If the accused person is a member of the public employees retirement board, state teachers retirement board, school employees retirement board, board of trustees of the Ohio police and fire pension fund, or state highway patrol retirement board, or is a member of the bureau of workers' compensation board of directors, the appropriate ethics commission, in its discretion, also may share information gathered in the course of an investigation with, or disclose the information to, the attorney general and the auditor of state. The person so requested shall furnish the information to the commission, unless within fifteen days from the date of the request the person files an action for declaratory judgment challenging the legitimacy of the request in the court of common pleas of the county of the person's residence, the person's place of employment, or Franklin county. The requested information need not be furnished to the commission during the pendency of the judicial proceedings. Proceedings of the commission in connection with the declaratory judgment action shall be kept confidential except as otherwise provided by this section. Before the commission proceeds to take any formal action against a person who is the subject of an investigation based on charges presented to the commission, a complaint shall be filed against the person. If the commission finds that a complaint is not frivolous, and there is reasonable cause to believe that the facts alleged in a complaint constitute a violation of section [102.02](#), [102.021](#), [102.03](#), [102.04](#), [102.07](#), [2921.42](#), or [2921.43](#) of the Revised Code, it shall hold a hearing. If the commission does not so find, it shall dismiss the complaint and notify the accused person in writing of the dismissal of the complaint. The commission shall not make a report of its finding unless the accused person requests a report. Upon the request of the accused person, the commission shall make a public report of its finding. The person against whom the complaint is directed shall be given reasonable notice by certified mail of the date, time, and place of the hearing and a statement of the charges and the law directly involved and shall be given the opportunity to be represented by counsel, to have counsel appointed for the person if the person is unable to afford counsel without undue hardship, to examine the evidence against the person, to produce evidence and to call and subpoena witnesses in the person's defense, to confront the person's accusers, and to cross-examine witnesses. The commission shall have a stenographic record made of the hearing. The hearing shall be closed to the public.

(C)

(1)

(a) If, upon the basis of the hearing, the appropriate ethics commission finds by a preponderance of the evidence that the facts alleged in the complaint are true and constitute a violation of section [102.02](#), [102.021](#), [102.03](#), [102.04](#), [102.07](#), [2921.42](#), or [2921.43](#) of the Revised Code, it shall report its findings to the appropriate prosecuting authority for proceedings in prosecution of the violation and to the appointing or employing authority of the accused. If the accused person is a member of the public employees retirement board, state teachers retirement board, school employees retirement board, board of trustees of the Ohio police and fire pension fund, or state highway patrol retirement board, the commission also shall report its findings to the Ohio retirement study council.

(b) If the Ohio ethics commission reports its findings to the appropriate prosecuting authority under division (C)(1)(a) of this section and the prosecuting authority has not initiated any official action on those findings within ninety days after receiving the commission's report of them, the commission may publicly comment that no official action has been taken on its findings, except that the commission shall make no comment in violation of the Rules of Criminal Procedure or about any indictment that has been sealed pursuant to any law or those rules. The commission shall make no comment regarding the merits of its findings. As used in division (C)(1)(b) of this section, "official action" means prosecution, closure after investigation, or grand jury action resulting in a true bill of indictment or no true bill of indictment.

(2) If the appropriate ethics commission does not find by a preponderance of the evidence that the facts alleged in the complaint are true and constitute a violation of section [102.02](#), [102.021](#), [102.03](#), [102.04](#), [102.07](#), [2921.42](#), or [2921.43](#) of the Revised Code or if the commission has not

scheduled a hearing within ninety days after the complaint is filed or has not finally disposed of the complaint within six months after it has been heard, it shall dismiss the complaint and notify the accused person in writing of the dismissal of the complaint. The commission shall not make a report of its finding unless the accused person requests a report. Upon the request of the accused person, the commission shall make a public report of the finding, but in this case all evidence and the record of the hearing shall remain confidential unless the accused person also requests that the evidence and record be made public. Upon request by the accused person, the commission shall make the evidence and the record available for public inspection.

(D) The appropriate ethics commission, or a member of the commission, may administer oaths, and the commission may issue subpoenas to any person in the state compelling the attendance of witnesses and the production of relevant papers, books, accounts, and records. The commission shall issue subpoenas to compel the attendance of witnesses and the production of documents upon the request of an accused person. Section [101.42](#) of the Revised Code shall govern the issuance of these subpoenas insofar as applicable. Upon the refusal of any person to obey a subpoena or to be sworn or to answer as a witness, the commission may apply to the court of common pleas of Franklin county under section [2705.03](#) of the Revised Code. The court shall hold proceedings in accordance with Chapter 2705. of the Revised Code. The compromise or settlement may include mediation, restitution, rescission of affected contracts, forfeiture of any benefits resulting from a violation or potential violation of law, resignation of a public official or employee, or any other relief that is agreed upon between the commission or prosecuting authority and the accused.

(2) Any settlement agreement entered into under division (G)(1) of this section shall be in writing and be accompanied by a statement of the findings of the commission or prosecuting authority and the reasons for entering into the agreement. The vote by the authority or board to accept or reject the application, as well as all proceedings of the authority or board not subject to this division, shall be open to the public and governed by this section.

(F) Every public body, by rule, shall establish a reasonable method whereby any person may determine the time and place of all regularly scheduled meetings and the time, place, and purpose of all special meetings. A public body shall not hold a special meeting unless it gives at least twenty-four hours' advance notice to the news media that have requested notification, except in the event of an emergency requiring immediate official action. In the event of an emergency, the member or members calling the meeting shall notify the news media that have requested notification immediately of the time, place, and purpose of the meeting.

The rule shall provide that any person, upon request and payment of a reasonable fee, may obtain reasonable advance notification of all meetings at which any specific type of public business is to be discussed. Provisions for advance notification may include, but are not limited to, mailing the agenda of meetings to all subscribers on a mailing list or mailing notices in self-addressed, stamped envelopes provided by the person.

(G) Except as provided in divisions (G)(8) and (J) of this section, the members of a public body may hold an executive session only after a majority of a quorum of the public body determines, by a roll call vote, to hold an executive session and only at a regular or special meeting for the sole purpose of the consideration of any of the following matters:

(1) To consider the appointment, employment, dismissal, discipline, promotion, demotion, or compensation of a public employee or official, or the investigation of charges or complaints against a public employee, official, licensee, or regulated individual, unless the public employee, official, licensee, or regulated individual requests a public hearing. Except as otherwise provided by law, no public body shall hold an executive session for the discipline of an elected official for conduct related to the performance of the elected official's official duties or for the elected official's removal from office. If a public body holds an executive session pursuant to division (G)(1) of this section, the motion and vote to hold that executive session shall state which one or more of the approved purposes listed in division (G)(1) of this section are the purposes for which the executive session is to be held, but need not include the name of any person to be considered at the meeting.

(2) To consider the purchase of property for public purposes, or for the sale of property at competitive bidding, if premature disclosure of information would give an unfair competitive or bargaining advantage to a person whose personal, private interest is adverse to the general public interest. No member of a public body shall use division (G)(2) of this section as a subterfuge for providing covert information to prospective buyers or sellers. A purchase or sale of public property is void if the seller or buyer of the public property has received covert information from a member

of a public body that has not been disclosed to the general public in sufficient time for other prospective buyers and sellers to prepare and submit offers.

If the minutes of the public body show that all meetings and deliberations of the public body have been conducted in compliance with this section, any instrument executed by the public body purporting to convey, lease, or otherwise dispose of any right, title, or interest in any public property shall be conclusively presumed to have been executed in compliance with this section insofar as title or other interest of any bona fide purchasers, lessees, or transferees of the property is concerned.

(3) Conferences with an attorney for the public body concerning disputes involving the public body that are the subject of pending or imminent court action;

(4) Preparing for, conducting, or reviewing negotiations or bargaining sessions with public employees concerning their compensation or other terms and conditions of their employment;

(5) Matters required to be kept confidential by federal law or regulations or state statutes;

(6) Details relative to the security arrangements and emergency response protocols for a public body or a public office, if disclosure of the matters discussed could reasonably be expected to jeopardize the security of the public body or public office;

(7) In the case of a county hospital operated pursuant to Chapter 339. of the Revised Code, a joint township hospital operated pursuant to Chapter 513. of the Revised Code, or a municipal hospital operated pursuant to Chapter 749. of the Revised Code, to consider trade secrets, as defined in section [1333.61](#) of the Revised Code;

(8) To consider confidential information related to the marketing plans, specific business strategy, production techniques, trade secrets, or personal financial statements of an applicant for economic development assistance, or to negotiations with other political subdivisions respecting requests for economic development assistance, provided that both of the following conditions apply:

(a) The information is directly related to a request for economic development assistance that is to be provided or administered under any provision of Chapter 715., 725., 1724., or 1728. or sections [701.07](#), [3735.67](#) to [3735.70](#), [5709.40](#) to [5709.43](#), [5709.61](#) to [5709.69](#), [5709.73](#) to [5709.75](#), or [5709.77](#) to [5709.81](#) of the Revised Code, or that involves public infrastructure improvements or the extension of utility services that are directly related to an economic development project.

(b) A unanimous quorum of the public body determines, by a roll call vote, that the executive session is necessary to protect the interests of the applicant or the possible investment or expenditure of public funds to be made in connection with the economic development project.

If a public body holds an executive session to consider any of the matters listed in divisions (G)(2) to (8) of this section, the motion and vote to hold that executive session shall state which one or more of the approved matters listed in those divisions are to be considered at the executive session.

A public body specified in division (B)(1)(c) of this section shall not hold an executive session when meeting for the purposes specified in that division.

(H) A resolution, rule, or formal action of any kind is invalid unless adopted in an open meeting of the public body. A resolution, rule, or formal action adopted in an open meeting that results from deliberations in a meeting not open to the public is invalid unless the deliberations were for a purpose specifically authorized in division (G) or (J) of this section and conducted at an executive session held in compliance with this section. A resolution, rule, or formal action adopted in an open

meeting is invalid if the public body that adopted the resolution, rule, or formal action violated division (F) of this section.

(I) (1) Any person may bring an action to enforce this section. An action under division (I)(1) of this section shall be brought within two years after the date of the alleged violation or threatened violation. Upon proof of a violation or threatened violation of this section in an action brought by any person, the court of common pleas shall issue an injunction to compel the members of the public body to comply with its provisions.

(2) (a) If the court of common pleas issues an injunction pursuant to division (I)(1) of this section, the court shall order the public body that it enjoins to pay a civil forfeiture of five hundred dollars to the party that sought the injunction and shall award to that party all court costs and, subject to reduction as described in division (I)(2) of this section, reasonable attorney's fees. The court, in its discretion, may reduce an award of attorney's fees to the party that sought the injunction or not award attorney's fees to that party if the court determines both of the following:

(i) That, based on the ordinary application of statutory law and case law as it existed at the time of violation or threatened violation that was the basis of the injunction, a well-informed public body reasonably would believe that the public body was not violating or threatening to violate this section;

(ii) That a well-informed public body reasonably would believe that the conduct or threatened conduct that was the basis of the injunction would serve the public policy that underlies the authority that is asserted as permitting that conduct or threatened conduct.

(b) If the court of common pleas does not issue an injunction pursuant to division (I)(1) of this section and the court determines at that time that the bringing of the action was frivolous conduct, as defined in division (A) of section [2323.51](#) of the Revised Code, the court shall award to the public body all court costs and reasonable attorney's fees, as determined by the court.

(3) Irreparable harm and prejudice to the party that sought the injunction shall be conclusively and irrebuttably presumed upon proof of a violation or threatened violation of this section.

(4) A member of a public body who knowingly violates an injunction issued pursuant to division (I)(1) of this section may be removed from office by an action brought in the court of common pleas for that purpose by the prosecuting attorney or the attorney general.

(J) (1) Pursuant to division (C) of section [5901.09](#) of the Revised Code, a veterans service commission shall hold an executive session for one or more of the following purposes unless an applicant requests a public hearing:

(a) Interviewing an applicant for financial assistance under sections [5901.01](#) to [5901.15](#) of the Revised Code;

(b) Discussing applications, statements, and other documents described in division (B) of section [5901.09](#) of the Revised Code;

(c) Reviewing matters relating to an applicant's request for financial assistance under sections [5901.01](#) to [5901.15](#) of the Revised Code.

(2) A veterans service commission shall not exclude an applicant for, recipient of, or former recipient of financial assistance under sections [5901.01](#) to [5901.15](#) of the Revised Code, and shall not exclude representatives selected by the applicant, recipient, or former recipient, from a meeting that the commission conducts as an executive session that pertains to the applicant's, recipient's, or former recipient's application for financial assistance.

(3) A veterans service commission shall vote on the grant or denial of financial assistance under sections [5901.01](#) to [5901.15](#) of the Revised Code only in an open meeting of the commission. The minutes of the meeting shall indicate the name, address, and occupation of the applicant, whether the assistance was granted or denied, the amount of the assistance if assistance is granted, and the votes for and against the granting of assistance.

(2) Authorize, or employ the authority or influence of the public official's office to secure the investment of public funds in any share, bond, mortgage, or other security, with respect to which the public official, a member of the public official's family, or any of the public official's business associates either has an interest, is an underwriter, or receives any brokerage, origination, or servicing fees;

(3) During the public official's term of office or within one year thereafter, occupy any position of profit in the prosecution of a public contract authorized by the public official or by a legislative body, commission, or board of which the public official was a member at the time of authorization, unless the contract was let by competitive bidding to the lowest and best bidder;

(4) Have an interest in the profits or benefits of a public contract entered into by or for the use of the political subdivision or governmental agency or instrumentality with which the public official is connected;

(5) Have an interest in the profits or benefits of a public contract that is not let by competitive bidding if required by law and that involves more than one hundred fifty dollars.

(B) In the absence of bribery or a purpose to defraud, a public official, member of a public official's family, or any of a public official's business associates shall not be considered as having an interest in a public contract or the investment of public funds, if all of the following apply:

(1) The interest of that person is limited to owning or controlling shares of the corporation, or being a creditor of the corporation or other organization, that is the contractor on the public contract involved, or that is the issuer of the security in which public funds are invested;

(2) The shares owned or controlled by that person do not exceed five per cent of the outstanding shares of the corporation, and the amount due that person as creditor does not exceed five per cent of the total indebtedness of the corporation or other organization;

(3) That person, prior to the time the public contract is entered into, files with the political subdivision or governmental agency or instrumentality involved, an affidavit giving that person's exact status in connection with the corporation or other organization.

(3) The treatment accorded the political subdivision or governmental agency or instrumentality is either preferential to or the same as that accorded other customers or clients in similar transactions;

(4) The entire transaction is conducted at arm's length, with full knowledge by the political subdivision or governmental agency or instrumentality involved, of the interest of the public official, member of the public official's family, or business associate, and the public official takes no part in the deliberations or decision of the political subdivision or governmental agency or instrumentality with respect to the public contract.

(D) Division (A)(4) of this section does not prohibit participation by a public employee in any housing program funded by public moneys if the public employee otherwise qualifies for the program and does not use the authority or influence of the public employee's office or employment to secure benefits from the program and if the moneys are to be used on the primary residence of the public employee. Such participation does not constitute an unlawful interest in a public contract in violation of this section.

(E) Whoever violates this section is guilty of having an unlawful interest in a public contract. Violation of division (A)(1) or (2) of this section is a felony of the fourth degree. Violation of division (A)(3), (4), or (5) of this section is a misdemeanor of the first degree.

(F) It is not a violation of this section for a prosecuting attorney to appoint assistants and employees in accordance with sections [309.06](#) and [2921.421](#) of the Revised Code, for a chief legal officer of a municipal corporation or an official designated as prosecutor in a municipal corporation to appoint assistants and employees in accordance with sections [733.621](#) and [2921.421](#) of the Revised Code, or for a township law director appointed under section [504.15](#) of the Revised Code to appoint assistants and employees in accordance with sections [504.151](#) and [2921.421](#) of the Revised Code.

(G) This section does not apply to a public contract in which a township trustee in a township with a population of five thousand or less in its unincorporated area, a member of the township trustee's family, or one of the township trustee's business associates has an interest, if all of the following apply:

5902-4-06 Legal residence.

(A) For purposes of this rule, the term "service member" shall mean the individual for whose military service compensation is sought, regardless of whether the application for compensation is filed by the individual on his or her own behalf; by a legally appointed guardian; or by his or her next of kin in the case of a deceased individual or an individual designated as missing in action or held in enemy captivity.

(B) In order to be eligible for compensation under this chapter, the applicant must establish to the satisfaction to the director of the department of veterans services, that the service member was a legal resident of Ohio at the start of such service member's active duty service in the United States armed services. The proof of residence shall be the official military records of the United States or other evidence deemed sufficient by the director. In making a determination of the legal residence in cases where official military records do not show Ohio as the home of record at the start of active duty service, the director will apply a rebuttable presumption that the veteran was not a legal resident of Ohio. The applicant may rebut this presumption by submitting documents establishing to the satisfaction of the director that Ohio was the service member's legal residence.

(C) In order to be eligible for compensation under this chapter the applicant must also establish to the satisfaction of the director that the service member, if living, is an Ohio resident at the time the application is filed. An applicant for compensation who is the survivor of a deceased service member or the next of kin of a service member designated as missing in action or held in enemy captivity need not be a resident of Ohio at the time the application is filed in order to be eligible for compensation under this chapter if all other criteria are met, however in the case of an application for compensation filed by the survivor of a deceased service member, such service member must have been an Ohio resident at the time of his/her death in order for his/her survivor to be eligible for payment of compensation.

(D) A legal resident of Ohio is an individual for whom Ohio was the state of domicile and who did not claim legal residence in any other state for any purpose. A service member's legal residence in Ohio is not changed by virtue of military assignment to another state.

(E) Documents that the director may consider to determine the residency of a service member under paragraphs (B) and (C) of this rule include, but are not limited to, the following:

- (1) Voter registration records;

- (2) Proof of payment of Ohio state income tax as a resident;
- (3) Ohio driver's license;
- (4) Other proof of Ohio residence address, including high school diploma or attendance record for Ohio high school, real estate records, utility receipts and other records showing residence in Ohio; and
- (5) An affidavit of residence submitted by the service member or other person having knowledge of such facts under penalty of law in which the affiant swears or affirms that the service member was a resident of Ohio at the start of his/her active duty and/or is a current Ohio resident.

5902-5-02 Procedures for accessing confidential personal information.

For personal information systems, whether manual or computer systems, that contain confidential personal information, the agency shall do the following:

(A) Criteria for accessing confidential personal information. Personal information systems of the agency are managed on a "need-to-know" basis whereby the information owner determines the level of access required for an employee of the agency to fulfill his/her job duties. The determination of access to confidential personal information shall be approved by the employee's supervisor and the information owner prior to providing the employee with access to confidential personal information within a personal information system. The agency shall establish procedures for determining a revision to an employee's access to confidential personal information upon a change to that employee's job duties including, but not limited to, transfer or termination. Whenever an employee's job duties no longer require access to confidential personal information in a personal information system, the employee's access to confidential personal information shall be removed.

(B) Individual's request for a list of confidential personal information. Upon the signed written request of any individual for a list of confidential personal information about the individual maintained by the agency, the agency shall do all of the following:

(1) Verify the identity of the individual by a method that provides safeguards commensurate with the risk associated with the confidential personal information;

(2) Provide to the individual the list of confidential personal information that does not relate to an investigation about the individual or is otherwise not excluded from the scope of Chapter 1347. of the Revised Code; and

(3) If all information relates to an investigation about that individual, inform the individual that the agency has no confidential personal information about the individual that is responsive to the individual's request.

(C) Notice of invalid access.

(1) Upon discovery or notification that confidential personal information of a person has been accessed by an employee for an invalid reason, the agency shall notify the person whose information was invalidly accessed as soon as practical and to the extent known at the time. However, the agency shall delay notification for a period of time necessary to ensure that the notification would not delay or impede an investigation or jeopardize homeland or national security. Additionally, the agency may delay the notification consistent with any measures necessary to determine the scope of the invalid access, including which individuals' confidential personal information invalidly was accessed, and to restore the reasonable integrity of the system.

"Investigation" as used in this paragraph means the investigation of the circumstances and involvement of an employee surrounding the invalid access of the confidential personal information. Once the agency determines that notification would not delay or impede an investigation, the agency shall disclose the access to confidential personal information made for an invalid reason to the person.

(2) Notification provided by the agency shall inform the person of the type of confidential personal information accessed and the date(s) of the invalid access.

(3) Notification may be made by any method reasonably designed to accurately inform the person of the invalid access, including written, electronic, or telephone notice.

(D) Appointment of a data privacy point of contact. The agency director shall designate an employee of the agency to serve as the data privacy point of contact. The data privacy point of contact shall work with the chief privacy officer within the office of information technology to assist the agency with both the implementation of privacy protections for the confidential personal information that the agency maintains and compliance with section [1347.15](#) of the Revised Code and the rules adopted pursuant to the authority provided by that chapter.
