Georgetown Volunteer Committee Memorial Brick Project

★ Do you wish to honor a loved one, or recognize a company or organization? ★

In The Southern Ohio Veterans Home Volunteer Committee is providing you the opportunity. The Ohio Veterans Home in Georgetown, which opened its doors in November 2003, has a lifesize bronze statue of General Ulysses S. Grant that is displayed in a prominent location on the front lawn of our beautiful facility, along with a twelve pound Napoleon cannon dating back to the Civil War. Memorial bricks are incorporated into these displays.

The memorial is a place to honor all members of the military who have given their lives in the line of duty and in the service of this great nation, to recognize all those who have in the past or who are currently serving their country, and to acknowledge the contributions made by families, companies and organizations to the preservation of freedom.

Two sizes of bricks are available:

1) 4” x 8” brick with three lines of engraving = **$49.95**
2) 8” x 8” brick with six lines of engraving = **$95.00**
