

Sandusky Memorial Walkway

★
Do you wish to honor a loved one, or recognize a company or organization?
★

In May 2002, the Ohio Veterans Home Volunteer Committee approved the establishment of the Memorial Walkway for a two-fold purpose.

The initial cost of this project was \$12,500. Since its inception, more than 900 pavers have been engraved. Veterans from all branches of service and wars dating back to the Civil War have been recognized. A dated paver marks the beginning of each dedication year. It is followed by engraved pavers which are, for the most part, in alphabetical order.

Their priority was to create a place for OVH residents to be honored, both living and deceased, as well as organizations and individuals who are supporters of veterans to also be acknowledged.

The secondary purpose was to create additional revenue for the Ohio Veterans Home Resident Benefit Fund. The increased funds are to be used to further their mission of “serving those who served.”

Orders are now being accepted for brick pavers that will be installed in the “Memorial Walkway” located on the campus of the Ohio Veterans Home across from the I.F. Mack Building. Pavers are ordered annually and are in place before Veterans Day each November. Please place your order by August 31st to be included in the order for placement by Veterans Day of each year. This offer is open to all honorably discharged veterans and those currently serving their country, veterans’ organizations, affiliates and their subsidiaries.

- 1) The brick pavers are 4” x 8”. You may place up to three lines of engraving for **\$49.99**.

Please complete one form for each brick ordered.
