Where Do Veterans Go to Get Help?

Since 1886, Ohio has provided help for Veterans, their spouses and children, and surviving family members of deceased Veterans. These services are provided through County Veterans Service Offices in each county. Each office is funded by a portion of the assessed local property taxes to ensure these services are available.

These offices are staffed by certified and accredited service officers to help Ohio’s Veterans apply for all benefits earned by active military service, which are described in this publication. These benefits include:

LOCAL  Claim Preparation & Assistance, Financial Assistance, Transportation to VA medical appointments and Indigent Burials.

Veterans’ spouses and other survivors may be eligible for federal and state benefits. County Veterans Service Offices can provide information and advocacy concerning these benefits and will assist with the application process.
Where Do Veterans Go to Get Help?

Each County Veterans Service Office will assist Veterans or their families with financial emergencies. This short-term assistance varies with the individual abilities of each county. Such assistance may include payment of rent, mortgage, food, utilities, car payment or insurance. An application process is required in all counties.

For details concerning the level of financial assistance and transportation available in a specific county, check with your local County Veterans Service Office.

Veterans are also encouraged to record their discharges (DD-214s) at their County Recorder’s office. This provides a duplicate record if a certified copy is needed as verification for Veterans benefits.

Many County Veterans Service and County Recorders offices make Veterans ID cards.

Veterans can reach their local office by calling

877-OHIO-VET (877-644-6838) & pressing 1

or by visiting:

The Department of Veterans Affairs (VA) Veterans Health Administration (VHA) has established a national Veterans Crisis Line to ensure that Veterans in emotional crisis have free, 24/7 access to trained counselors. To operate the hotline, the VA partnered with the Substance Abuse and Mental Health Services Administration (SAMHSA) and the National Suicide Prevention Lifeline. Veterans, family members and friends can call the lifeline number, 800-273-TALK (8255) and press “1” to be routed to the hotline and speak to a counselor about any issue that is creating a crisis situation in his or her life.
